The IELTS Academy Completes a Decade of Successful IELTS Training in Bangalore

This press release was originally distributed by SBWire

Bangalore, Karnataka -- (SBWIRE) -- 06/30/2016 -- The IELTS Academy completes a decade of successful IELTS training in Bangalore. The IELTS Academy has completed more than ten years of successfully training candidates for IELTS, one of the important English assessment test mandatory for migrating overseas for

study or job. As one of the oldest and reputed training centers in the city, it has trained hundreds of students who have succeeded in getting high bands in the exam.

Apart from offering IELTS training, the institute also offers other career oriented training and overseas placement programs. The credit of the success of the academy can be attributed to the unique methodology that is followed along with a trained workforce that continuously goes under a variety of workforce training programs and classroom instruction to enhance their skills and performance. The employees are regularly trained as per the global standards so that they can deliver the best to the students.

The academy aids individuals, organizations and professionals to enhance their knowledge and skills. The training programs are custom made to fit the individual and organizational needs. The training experts are highly experienced and well qualified for both one-time training programs and the curriculum of programs.

The academy features great reviews from the students such as Sanjay who mentions in his review, " I am very happy to say I joined THE IELTS ACADEMY and successfully completed the course. It was a very tough decision to select the IELTS coaching center in Bangalore, there are many institutions providing coaching for IELTS, so was very confused and after months of scrutiny, I joined this institute. I was very comfortable joining here especially the faculty was very co-operative, always humorous and kept the class alive. I recommend my other colleagues to join this institute & have a great training.."
